

# DO YOU NEED BETTER VISIBILITY WHEN DRIVING?

## Custom-made Mirror Extensions now available exclusively from 4WD Solutions.

These custom-made mirror extensions enable drivers uninterrupted clear vision of traffic, cargo and blind spots. The mirrors can be fitted within minutes and compliment the vehicle whilst giving the driver the ability to see greater distances for backing, towing and passing.

*Currently available for late model 70 Series Toyota Landcruiser's with standard mirrors.*

- Solid & Durable
- Fitted within minutes
- No drilling
- Aesthetically pleasing
