

ARE YOUR CUSTOMERS LOOKING FOR HARD WEARING SEAT COVERS?

SupaFit Seat Covers are manufacturers of premium aftermarket protective seat covers, custom made to fit most makes and models. Their covers are made from top quality materials to guarantee the highest levels of quality and comfort.

As leaders in their industry, SupaFit Seat Covers now offer New Zealanders safe seat covers with industry approved airbag deployment seam technology.

Buy with total confidence and peace of mind that SupaFit airbag compatible seat covers are 100% safe to use on seats with airbags.

SupaFit Seat Covers are available in Canvas & Denim.
